Dear Parents

COVID 19 LOCAL ADVICE- CHILD CARE NEXT WEEK

We are working very hard in order to give you the most up to date Government advice, as and when we receive it ourselves.

The overriding advice from the Government is that ALL children should stay at home from today, where possible.

The Government have released a list of key workers, this is a very long and complex list and can be found at: <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>.

Next week, we will provide childcare for 'Key Worker' children **who absolutely need to attend**.

Please contact the school office by 6pm today if ALL the following apply:

- **you are a 'Key Worker'**
 - **you have confirmed with your employer that your role is essential for the service to continue**
 - **you need child care for your child next week on the days you work.**
